## **Big Burn – an unforgettable, modern and explosive fireshow with six artists.**

Big Burn is a choreographed fire artistry show with six fire artists and of 20 minutes duration. This fire show impresses with its synchronised and varied choreographies as well as its stunning fire juggling paired with elements of modern dance. The four female fire artists of this show all have many years of dance experience and really fire on the audience. The two male artists show a

fire staff choreography full of action and much more of their artistic bandwidth. Besides burning fans, whirling staffs, fire spitting and acrobatics this show offers further memorable moments, namingly a dance choreography with elements from contact improvisation and special effects. A diversified show for outdoor events, like in stadiums or at city festivals and for indoor events with big stages.
