

The background of the entire page is a dark scene filled with various fire performances. In the upper left, there's a large, glowing, abstract fire shape. In the center, a woman is seen from behind, holding a long pole with a flame at the top. To the right, a woman holds a fan of many small flames. In the lower center, a woman is performing with a circular fire prop. In the lower right, a woman holds two long, vertical flames. The overall atmosphere is dramatic and fiery.

lux

orbis

Lux Orbis is Tanzlicht K's solo fireshow.

It comes in two versions: A choreographed and a modular one.

The modular fire show is flexible and can hence be adjusted to your needs. Tools, duration and music can be chosen by you and thus can be customized to your event. You can choose from these fire tools: Poi, fire fans, levistick, fire ropes, palm torches and fireflies. Fire effects are lycopodium bottles and steel wool.

The choreographed fire show is approx. 15 minutes in length, with solemn atmospheric music, different fire props, impressive fire effects and diversified fire dance choreographies.

It is suited for in and outdoor events.
